Preface

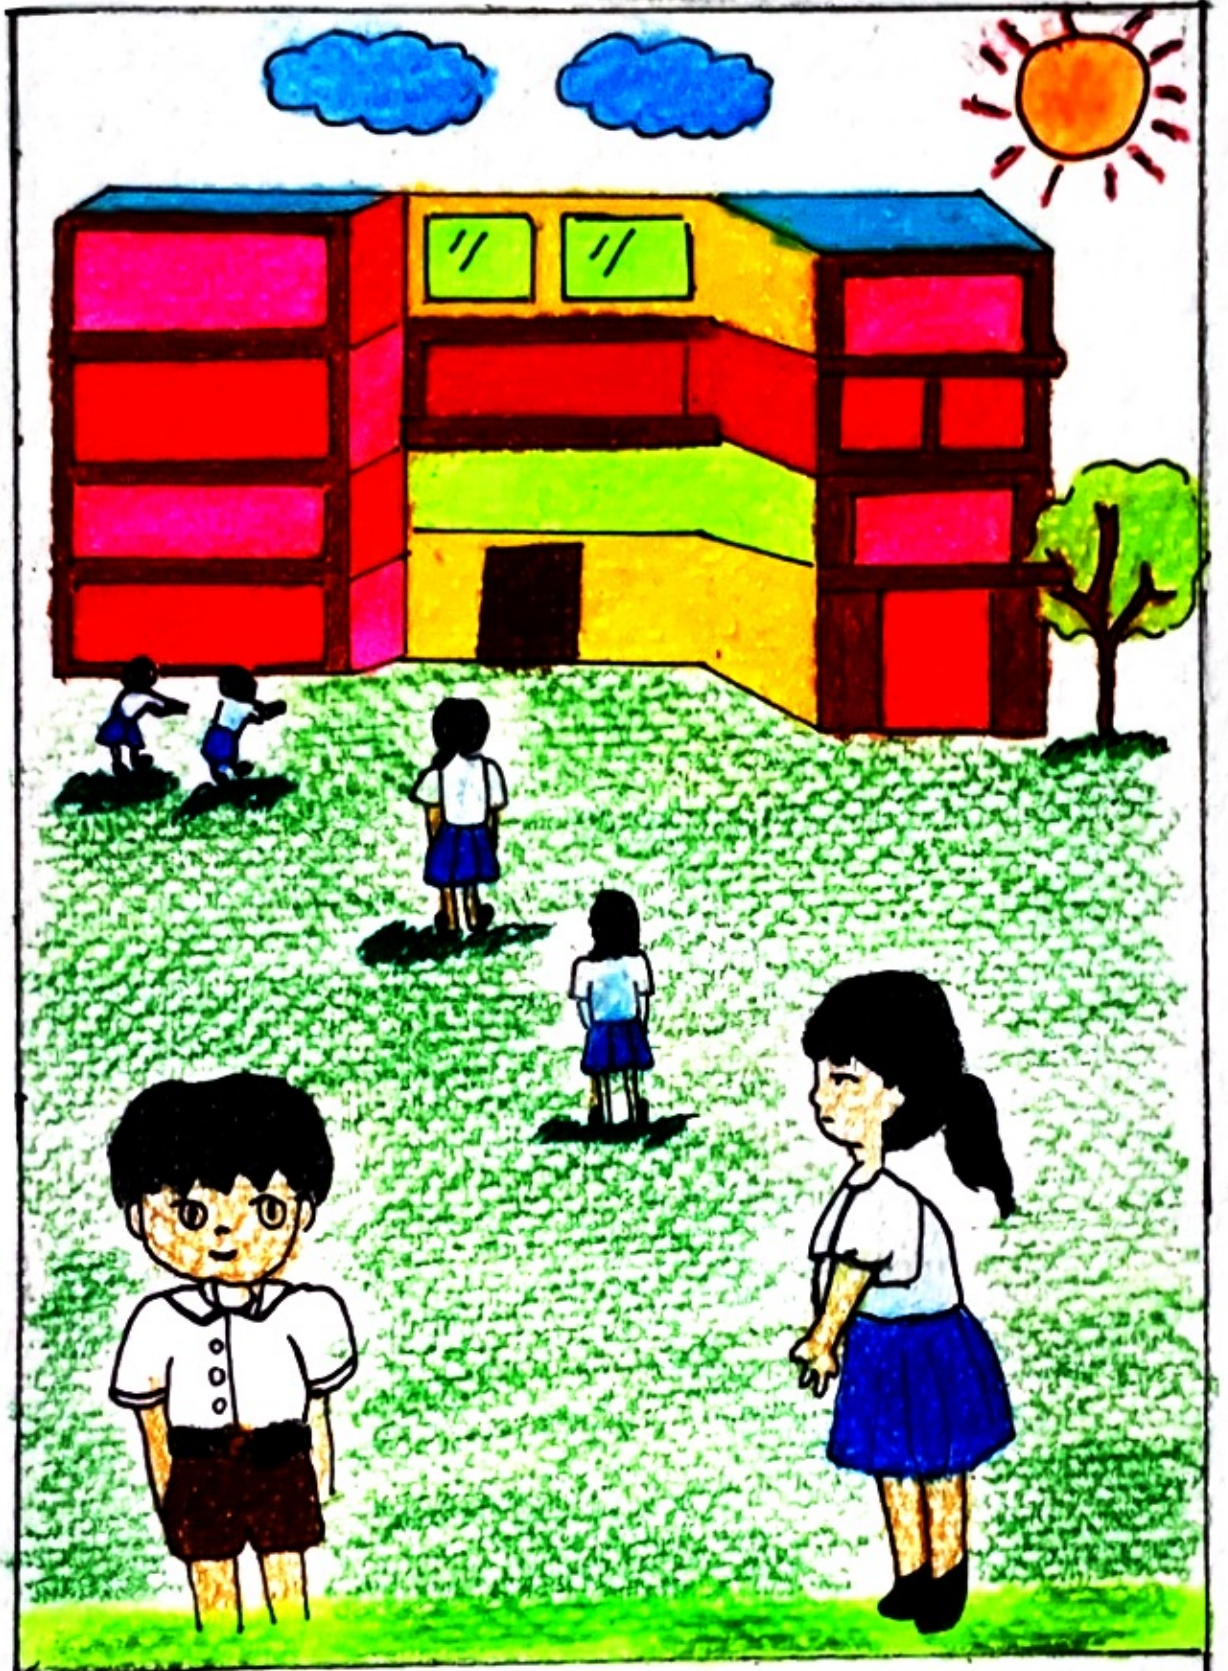

This mini-book is a part of the English subject E16101. The purpose of this mini-book is to practice writing skill and critical thinking for student. It can also be integrated with other subjects.

I hope who goes through it will find it useful and worth learning.

Creator team

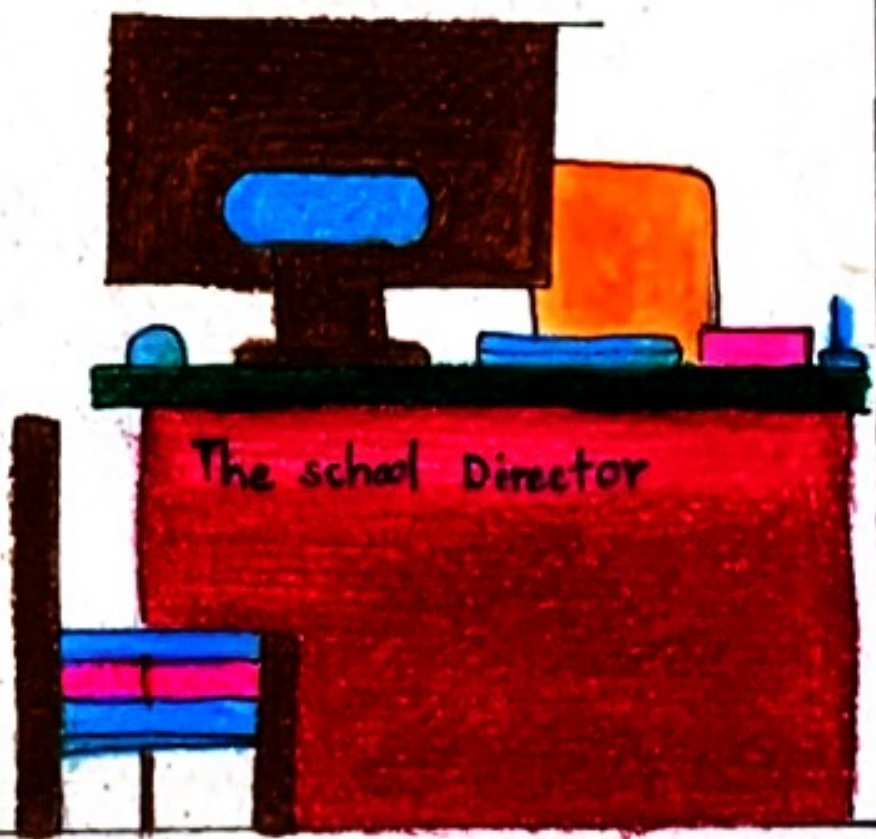

I study in Prathomsuksa 6 at
Donnamsaiwitthaya School. It's big and clean.

There are two buildings. And there are nineteen teachers and one hundred forty-two students.

THE DIRECTOR ROOM

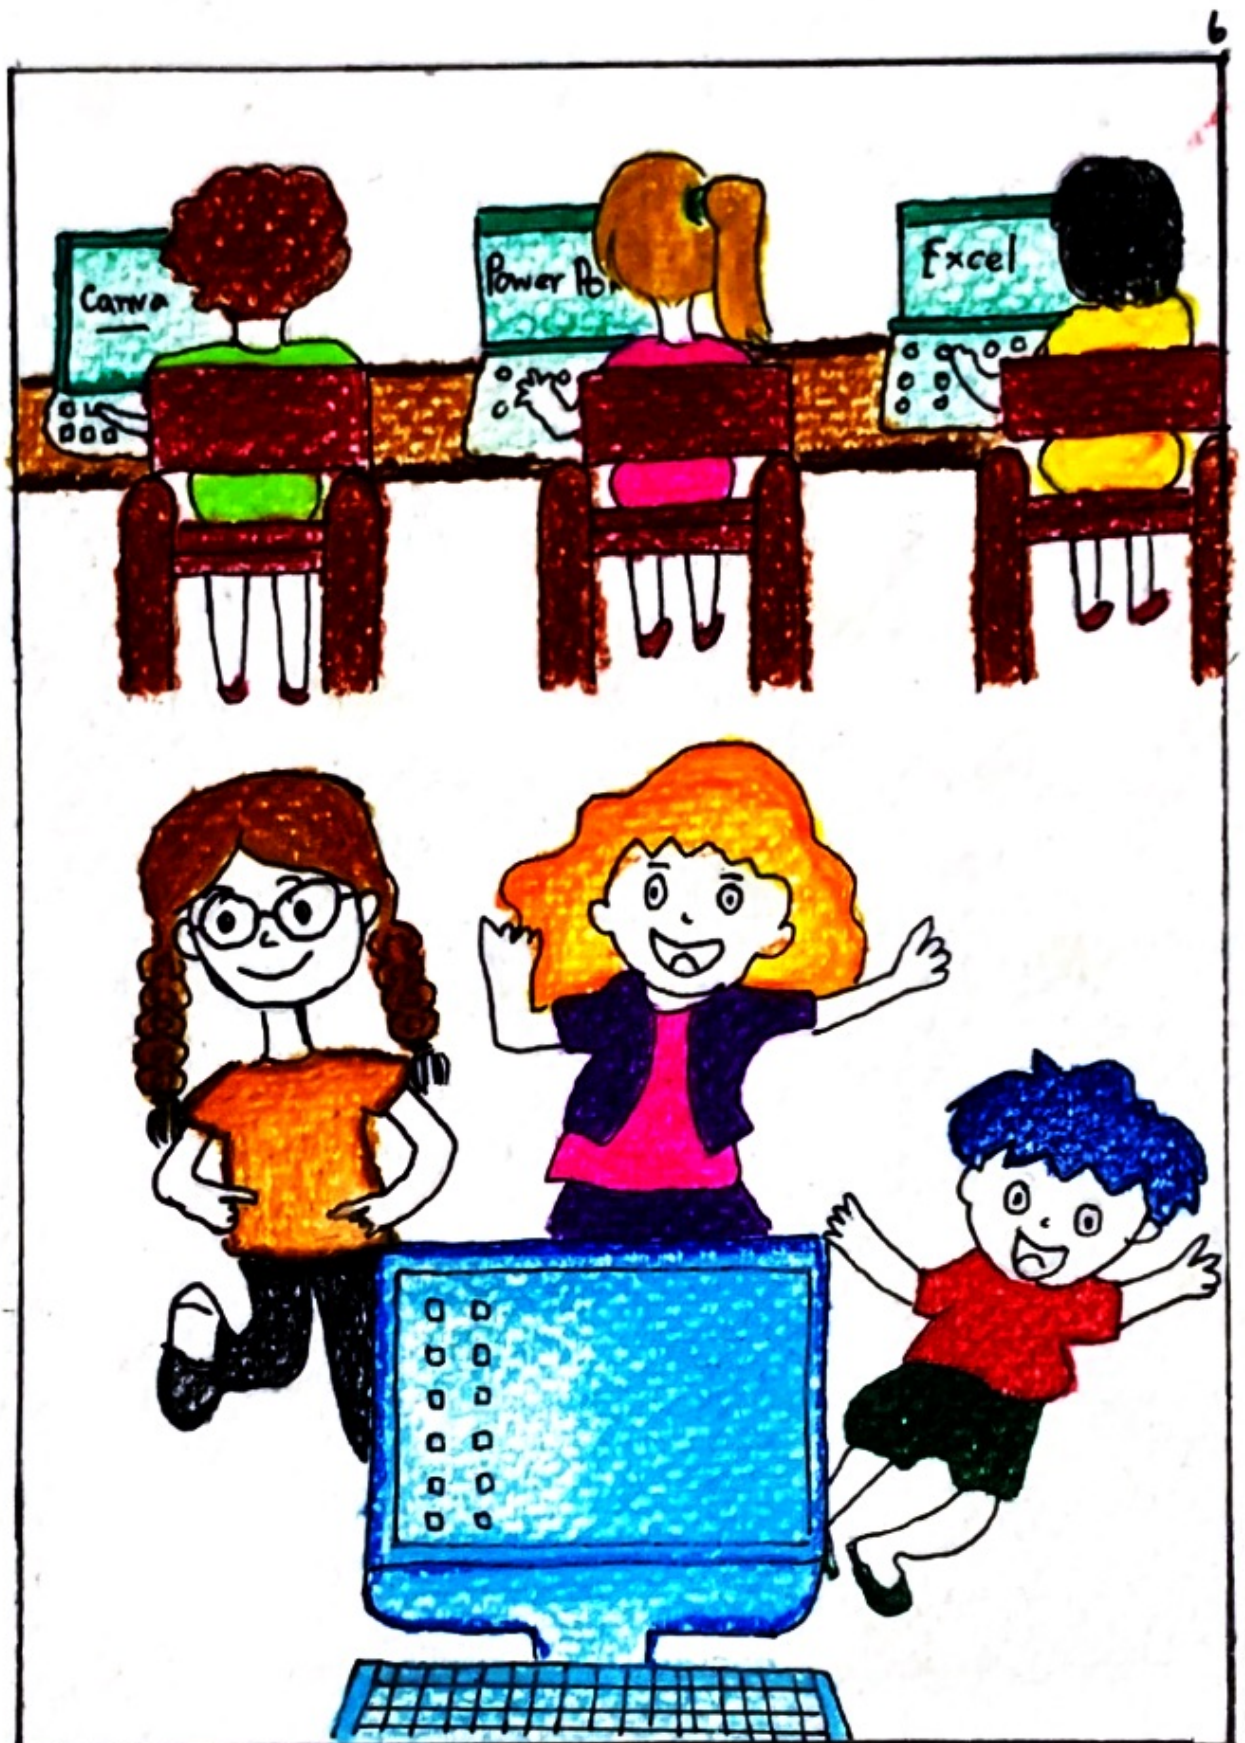

There is the director room. There are books , a computer a beautiful picture and others.

There is English classroom. My English teacher is beautiful and kind. I like to study English.

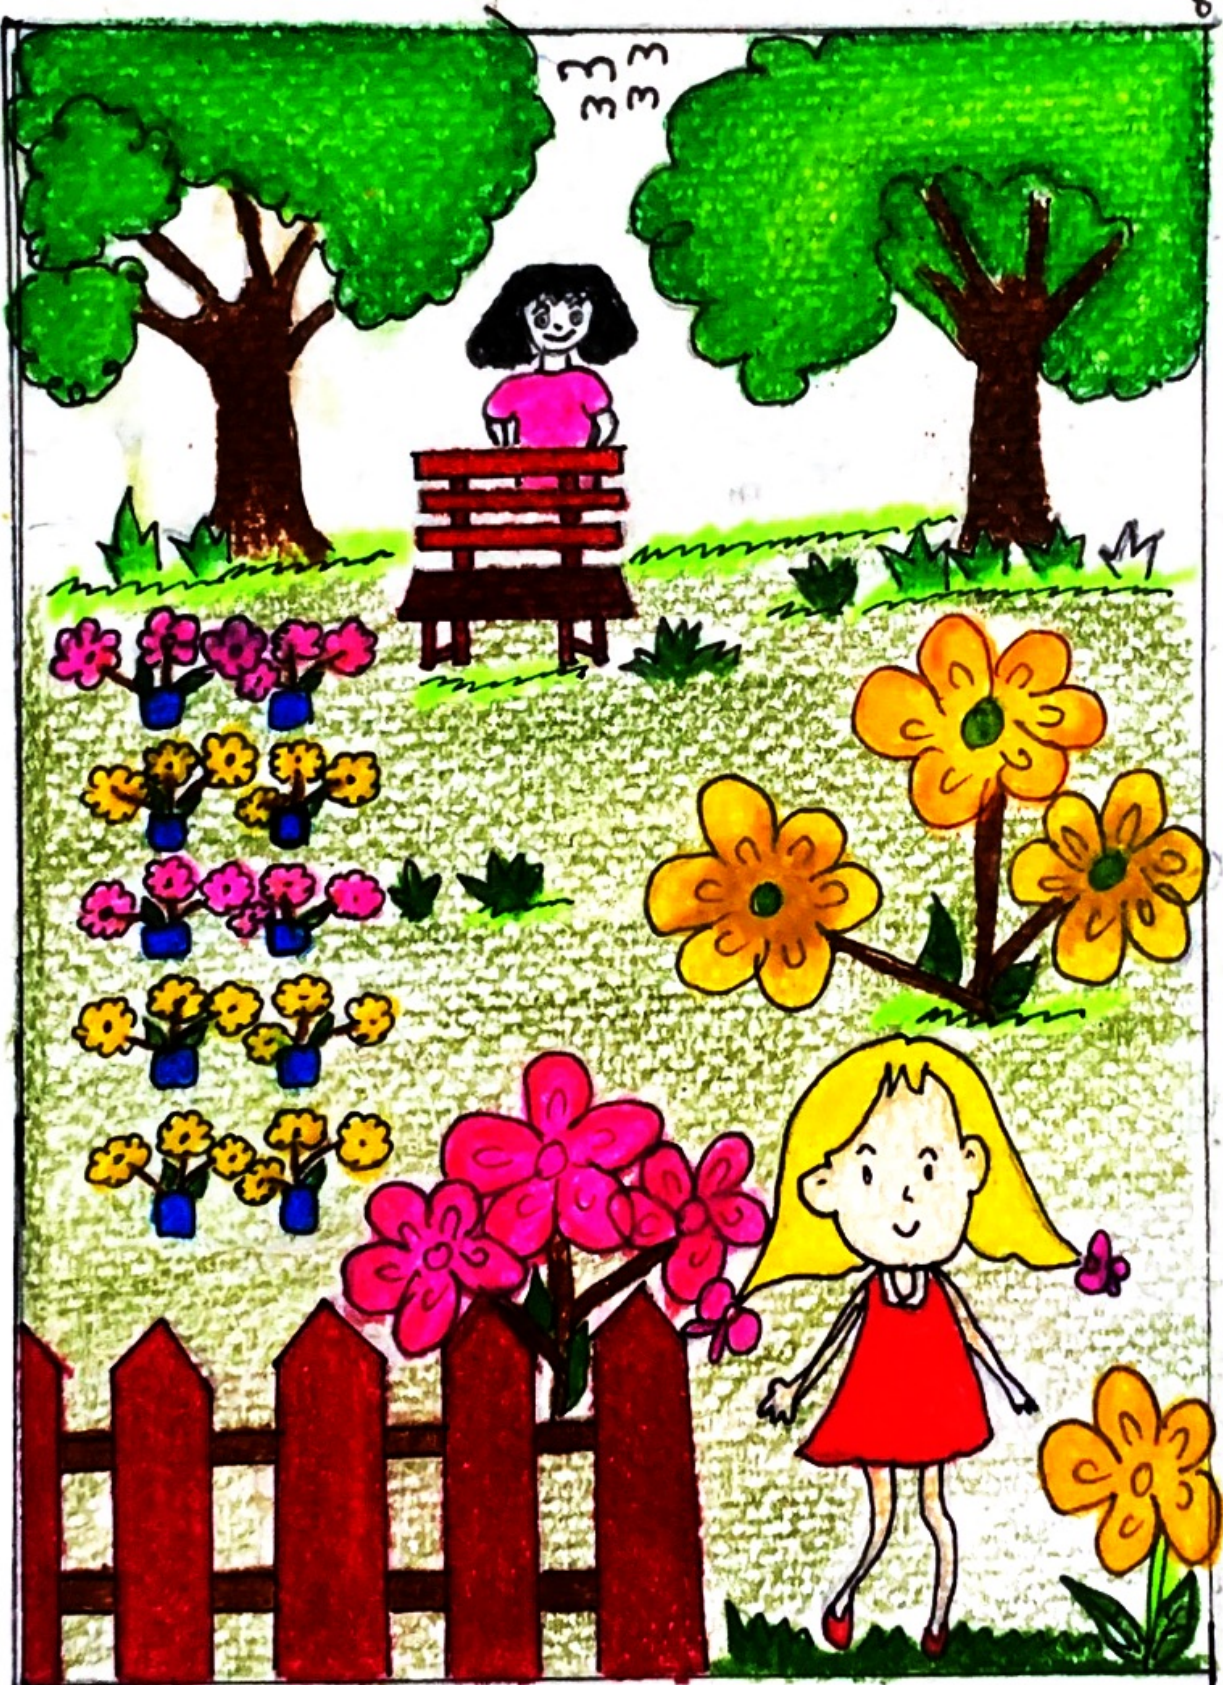

There is the library. The librarian is beautiful and kind. I like to read the book in the library.

There is the computer room. I and my friends surf the internet in this room.

There is playground. I and my friends play
at the playground. We are very happy.

There is school garden. It's very beautiful.
There are many beautiful flowers.
